

# The STOCKDEN FAMILY HISTORY 1741-1997

UPDATE 12A for 2011:

Corrections to some details in “**The STOCKDEN FAMILY HISTORY 1741 – 1997**”:

Australian **STOCKDENS**:

Karen Patricia, daughter of Farrell John **STOCKDEN**, was born on 9 August 1957 – not – 2 August as given in the book. She works as a Personal Assistant to the Managing Director in the Finance Industry in West Perth.

Patricia, daughter of Farrell Andrew **STOCKDEN**, was born 2 March 1928, not 1930, as I wrote, at that time lacking any information concerning her actual year of birth. I add my apologies also for stating “... who I believe has not married”..... my sincere apologies Patricia. This apology covers the fact that I am unable to remove the comment from the printed versions of the book.

The maiden name of Barry James **STOCKDEN**'s wife is “**GOGGIN**” not “**COGGIN**”.

Farrell John **STOCKDEN** (son of Farrell Andrew **STOCKDEN**) died on 6 April 1994. He was 68 years old not 69 years as I gave in the book. He died from Mesothelioma, an asbestos related cancer. It was concluded that he contracted this disease when working with asbestos during his employment at the Midland Railways in WA as a boilermaker between 1940 and 1966.

My reference to Danielle Fay, daughter of Robert John **STOCKDEN**, should have read “Danelle Faye” **STOCKDEN**. Danelle married on 8 September 2001 to Seaton **FIELD** and from 2003 they were living in Bunbury, WA.

A correction to an earlier Update.

The Kew Records Office reference WO /97/1225/1 referred to a James DOTHWAITE, born STOCKDEN, DURHAM. This abbreviated format caused the search computer to consider this as a reference to James DOTHWAITE changing his name. However, it actually refers to Stockden, a place in County Durham, which several hundred years ago was “Stockden” and is now “Stocton-on-TEES”. All references to this as a **Stockden** Family associated fact should be considered null and void.

New information:

Louisa **STOCKDEN** born 1842, married William Holley in 1867. See details in the book. In the 1881 census she was still living with William **HOLLEY**. William died in 1883. Then a history jump: In Bath in 1883, an unnamed child birth was registered to a Louisa and William Henry **STOCKDEN**. Louisa's maiden name was given as **STOCKDEN**. There is no evidence found to suggest they were married.

This clarifies what I had in my book under “The Mystery STOCKDENS”. I had found a marriage of a Rosa Flora Jane **STOCKDEN** to a Garnet **LEWIS**, son of William **DAY-LEWIS**. Garnet was born in Cheddar, Somerset and had migrated to Canada, returning as a soldier during WWI. Rosa gave her father's name on the marriage certificate as William Henry **STOCKDEN**.
